SUMMARY

Myname is Shivam Sheth, and I am from Surendranagar, Gujarat. I completed my Bachelor of Computer Applications (BCA) from C.U. Shah University, Surendranagar, and I am currently pursuing my Master of Computer Applications (MCA) from Parul University, Vadodara. I am passionate about working in a company that fosters innovation and creativity, where the focus is on delivering high-quality, client-focused solutions. My goal is to join an organization , where I can continue learning and contributing to impactful projects. I am particularly interested in opportunities that offer remote work, although I am also open to roles within my home state.
